

FMC-06

The Easy-to-Move Floor Mounting Cart for Meetboard IFP-Series Interactive Display

The FMC-06 floor mounting cart allows easy movement and assembly, combined with the durable and lightweight design. This mobile cart features a stable tray and lockable castors. You can bring all the devices together and, likewise, ensuring the display remains secure.

The FMC-06 is a modular mounting set, so you can quickly assemble and install Meetboard IFP-Series interactive display on the cart without any additional effort. The special castors have a reliable brake and mute design to prevent scratching the floor or having noise. With excellent mobility and user-friendly design, it's no doubt the FMC-06 floor mounting cart brings the collaborative meeting to the next level.
